PROGRAM HIGHLIGHTS

• What is new in vascular disease management at Mayo Clinic?
• Medical, endovascular and open surgical treatment of:
  - Peripheral Arterial Disease (PAD)
  - Thoracic and Abdominal Aortic Aneurysms
  - Renal and Mesenteric Artery Disease
  - Venous Thromboembolism
  - Chronic Venous Disease
  - Carotid Artery Disease
• The Great International Debates on:
  - Thrombolysis for Acute Iliofemoral DVT
  - Surgery for Asymptomatic Carotid Artery Disease
  - Renal Artery Stenting
  - Saphenous Vein Ablation
• The future of vascular practice and education
Mayo Clinic International Vascular Symposium

September 9-11, 2011
Le Meridien Etoile
Paris, France

Mayo Clinic Course Directors
Haraldur Bjarnason, M.D.
Peter Gloviczki, M.D.
Raymond C. Shields, M.D.

Honorary Chairs of the Symposium
Didier Melliere, M.D.
Thom W. Rooke, M.D.

European Course Director
Jean-Pierre Becquemin, M.D.

Invited participating societies include Le Collège Français de Pathologie Vasculaire (CFPV), La Société de Chirurgie Vasculaire de Langue Française (SCV), La Société Française de Médecine Vasculaire (SFMV), La Société Française de Phlébologie (SFP), La Société Française d’Angiologie (SFA), the International Union of Angiology (IUA), the Central European Vascular Forum (CEVF), Societa Italiana di Chirurgia Vascolare ed Endovascolare (SICVE), and the European Society of Cardiovascular Surgery (ESCVS).

Call for Abstracts
COURSE DESCRIPTION
The purpose of this conference is to provide an overview of the current issues in peripheral vascular disease to the vascular practitioner/specialist through didactic and interactive segments with inclusion of scientific sessions. The conference will highlight the multidisciplinary approach to vascular disease, including vascular surgery, vascular medicine, interventional radiology, and cardiology. The conference is expected to attract international vascular disease specialists, in addition to nurse and allied health care providers interested in peripheral vascular disease. This meeting will include interactive sessions with review of Mayo Clinic, North American, and European guidelines of arterial and venous disease evaluation and management.

COURSE LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:

• Discuss the management recommendations of acute iliofemoral deep vein thrombosis.
• Review the appropriate application of newer anticoagulant agents for venous thromboembolism.
• Explain controversies in the management of carotid arterial disease.
• Analyze renal artery disease evaluation & management recommendations based on the most recent trial results.
• Outline the current recommendations for aortic aneurysmal disease management in the high-risk patient.
• Discuss the future directions in the medical management of peripheral arterial disease.
• Identify microbiological vascular effects of diabetic and atherosclerotic peripheral arterial disease.
• Review current surgical and endovascular strategies for infrainguinal arterial occlusive disease.
• Compare the emerging options for chronic venous thromboembolic disease evaluation and management.
• Describe the updated recommendations for stroke management.
• Contrast the latest developments in vascular imaging.
• Review management options for endovascular complications.

Attendance at this Mayo course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This course is intended for physicians who specialize in Cardiology, Interventional Radiology, Vascular Medicine, and Vascular Surgery as well as fellows, residents and other healthcare professionals with a particular interest in peripheral vascular disease.

CREDIT
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of College of Medicine, Mayo Clinic, and ARCEV. College of Medicine, Mayo Clinic, is accredited by the ACCME to provide continuing medical education for physicians.

College of Medicine, Mayo Clinic, designates this live activity for a maximum of 19 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Health Care Professionals
A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

DATE AND LOCATION
The Mayo Clinic International Vascular Symposium will be held September 9-11, 2011. Course headquarters will be located in Le Meridien Etoile in Paris, France. The program begins at 8:00 a.m., Friday, September 9 and adjourns at 12:30 p.m. on Sunday, September 11.

Facing the Palais des Congrès and close to the legendary Champs Elysées and the business district of the city, La Défense, Le Méridien Etoile is strategically located on Paris’s “Rive Droite” (“right bank”) to appeal to business travelers and art-lovers alike. Many of the most celebrated sights in this luminous city are within easy access: the Luxor Obelisk in the Place de la Concorde, the Arc de Triomphe, and the Louvre and Orsay museums, among others. More information can be found on the hotel’s website: http://www.lemeridienetoile.com/

REGISTRATION
To register online, visit http://www.mayo.edu/cme/internationalvascular or complete the attached registration form and return by mail or fax. The registration fee includes tuition, electronic course syllabus, break refreshments, lunches, and welcome reception. Although it is not Mayo
School of CPD policy to limit the number of registrants for a course, conference room facilities may necessitate closing of enrollment; therefore, early registration is advised. A letter of confirmation will be sent upon receipt of payment and completed registration form. Please present the confirmation letter when checking in at the meeting registration desk.

CANCELLATION POLICY
If you cancel your participation in this course, your registration fee, less a $75 administrative fee, will be refunded when written notification is received by Mayo School of CPD before Friday, August 26, 2011 (fax#: 507-284-0532). No refunds will be made after Friday, August 26, 2011. Canceled registrations are non-transferable.

Mayo School of CPD reserves the right to cancel or postpone any course due to unforeseen circumstances. In the unlikely event Mayo School of CPD must cancel or postpone this course, Mayo School of CPD will refund the registration fee, but is not responsible for any related costs, charges, or expenses to participants, including fees assessed by airline/travel/lodging agencies.

FACULTY

Honorary Faculty
Jean-Michel Cormier, M.D.
Michel Perrin, M.D.
Jean-Daniel Picard, M.D.
Michel Vayssairat, M.D.

Mayo Clinic Faculty
Thomas C. Bower, M.D.
Thomas G. Brett, M.D.
Leslie T. Cooper, Jr., M.D.
Audra A. Duncan, M.D.
Jeremy L. Friese, M.D.
Manju Kalra, M.D.
Verghese Mathew, M.D.
Robert D. McBane, M.D.
Michael A. McKusick, M.D.
Sanjay Misra, M.D.
Samuel R. Money, M.D.
W. Andrew Oldenburg, M.D.
Roger F. J. Shepherd, M.B.B.Ch.
Anthony W. Stanson, M.D.
William M. Stone, M.D.
Stephen C. Teator, M.D.
Terri J. Vrtiska, M.D.
Paul W. Wennberg, M.D.

International Faculty
Yves Alimi, M.D.
Eric Allaire, M.D.
Enrico Ascher, M.D.
Jacques Busquet, M.D.
Patrick Carpentier, M.D.

FACULTY DISCLOSURE
As a provider accredited by ACCME, College of Medicine, Mayo Clinic (Mayo School of CPD) must ensure balance, independence, objectivity and scientific rigor in its educational activities. Course director(s), planning committee, faculty, and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty also will disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. Disclosure of this information will be published in course materials so those participants in the activity may formulate their own judgments regarding the presentation.

ABSTRACTS REQUESTED
Integral to the focus of the Mayo Clinic International Vascular Symposium, a limited number of abstracts of clinical and basic research dedicated to vascular diseases will be considered for 5 minute oral presentations.

The abstracts may include guidelines, randomized trials, outcome studies, practice innovations, or descriptive analyses. Outstanding abstracts will be selected for presentation at the course. **Submission Deadline: June 25, 2011**

Eligibility:
- Abstracts that either have or have not been presented at other meetings will be considered.
- Abstracts that have been published or based on full papers that have been published are eligible.
- Participants may be primary author on no more than two abstracts.

Please submit your abstract as a Word document on one page using size 12 font and double spaced.

Submit abstract by June 25, 2011 by e-mail to Schilling.Catherine@mayo.edu. If you have any questions, please call (507) 266-7484.

Results: Notification of results will be sent by Friday, July 8, 2011 to all primary authors.

*Paid course registration will be required for oral presentation at the course.*
