

B O R D E A U X

PERSPECTIVES 2015

December Friday 11

Organization: E. Ducasse, M. Sibé

**Are drug devices
efficient?**

**Educational (crash)
live in box
(aortic and peripheral)**

**Cité mondiale,
18 parvis des Chartrons
Bordeaux - FRANCE**

  Simultaneous translation

6 European
CME credits

www.congresperspectives.com

08:00 DRUG DEVICES – Where are the frontiers?

Moderators: D. Midy, A. Sauguet, C. Setacci

- DES & DCB: current data on SFA use and more, **R. Langhoff**
- Bare stent on SFA use and more, **Y. Gouëffic**
- Drug devices on BTK, current data, **B. Mees**
- Drug devices on BTK, current practice, **E. Marone**
- Drug devices on AFV, current data, **A. Rampoldi**
- Drug devices: myths and realities, **V. Sautou**

10:00 EDUCATIVE LIVE IN BOX - Peripheral cases

Moderators: M. Amor, M. Poirier, V. Rimbau

- CERAB technique, indications and complication management, **P. Goverde**
- Iliac arteries management, **E. Steinmetz**
- Long SFA recanalisation and management, **L. Maene**
- SFA treated with debulking devices, **Y. Bausback**
- Popliteal recanalisation and management, **M. Di Primio**
- Retrograde SFA recanalisation, state of the art, **A. Schmidt**
- In-Stent restenosis best management, **J. Van den Berg**
- External iliac and common femoral arteries problems, **P. Gouny**
- Deep veins recanalisation and stenting, indications and management, **O. Hartung, A. Schmidt**
- Retrograde BTK, state of the art, **M. Werner**
- BTK long recanalisation and management, **R. Ferraresi**

Lecture

«Wine maker and vascular physician: where is the parallel?» **J. Merlaut**

14:00 EDUCATIVE LIVE IN BOX - Abdominal aortic cases

Moderators: N. Chakfé, R. Hassen-Khodja, M. Lachat

- Proximal sealing: technical considerations, **J-P. de Vries**
- EVAR: Challenging iliac accesses management, **R. Fisher**
- Complicated iliac bifurcated graft, **F. Thaveau**
- Technique open chimney for short neck, **S. Deglise**
- Chimney + f-EVAR: compilation of techniques, **S. Lepidi**
- Fenestration vs Chimney: where is the difference? **C. Mialhe**
- Fenestrated cuff for proximal extension, **T. Resch**
- Snorkel and reverse chimney technique, **M. Lachat**
- Sealing the gutter: easy and efficient, **Y. Le Bras**
- Homemade fenestration: state of art, **J-P. Becquemin**

16:30 EDUCATIVE LIVE IN BOX - Thoracic aortic cases

Moderators: J-P. Becquemin, J. Busquet, F. Speziale

- Type B dissection: endovascular + embolisation, **N. Tsilimparis**
- Type B dissection: natural evolution, **R. McWilliams**
- Type B dissection: best treatment, **T. Mastracci**
- Treatment of aortic arch with chimney, **S. Ronchey**
- In-situ fenestration of aortic arch, **E. Choukroun**
- Arch repair after surgery of ascending aorta, **S. Haulon**
- Scallops or branches for arch repair, **J-M. Alsac**
